

Teledac orders can be paid online by Visa, MasterCard, and American Express credit cards or PayPal .

A simple process allows you to pay quickly and securely online:

1- When your Teledac order is ready to go, we will send you an e-mail with your detailed invoice in Pdf format. (We need the credit card holder's e-mail address)

2- Almost at the same time, you will see another e-mail in your inbox, but coming from PayPal and referring to the same invoice number and total. Their e-mail will also include a link to access their secured site in order to make your payment and complete the transaction. (you don't even need a PayPal account if you have one of above credit cards)

3- In the following minutes, we receive a payment notice from PayPal and resume your order shipment.
